When Chenille Bowing was just four years old, her father, Arthur, a chief judge in Denver, Colorado, was believed to have killed his identical twin brother, Austin, in a hunting accident. From that day forward, Arthur wasn't the same man. He treated his wife and children with indifference; he became rude, arrogant, and overbearing. It would be years before the family discovered the real truth. The situation becomes more dire years later when Chenille announces that she and her longtime boyfriend, Matt Rustin, are expecting a child. Arthur despises Matt and refuses to accept the relationship. When the baby is born, Arthur executes the unbelievable. He tells Chenille her baby died at birth and whisks her off to Austria to complete her physician training. Arthur deceives Matt by faking Chenille's death and leaving Matt to raise the child alone. Nine years later, Chenille, a successful neurosurgeon in France, mourns the loss of Matt and her baby each day. But fate intervenes when Chenille meets Ernesto Pallante, who has ties with Cosa Nostra. These men use their worldwide associations to unveil the misdeeds the family has endured. They use their power to deliver their own brand of justice. A police officer on the trail of in-department corruption finds himself framed and on the run from the law—right into the house and arms of a woman divorced, delicious and too good to be true. From the #1 New York Times–bestselling author of Remember comes this saga spanning three generations of spirited women who find success on their own terms. Orphaned at a young age and later working as a servant to a wealthy suffragette, Audra Kenton finds the love of a lifetime—only to have it ripped away in an unforeseeable tragedy. Now she lives for only one reason: to give her daughter Christina, a gifted artist, everything she needs to succeed in life. But headstrong, vibrant Christina refuses to follow the path her mother has set out for her. Stubbornly forging her own path, she builds a global fashion empire in the heart of Manhattan. Soon a mother herself, Christina wants nothing so much as for her own daughter, Kyle, to lead the company when she's gone. From humble beginnings to the heights of wealth and success, these three women face love, heartbreak, and betrayal—each to emerge triumphant in her own way. "Pure gold." —Cosmopolitan From three bestselling authors come three tales of romance revolving around that happiest of days: a wedding! Early Bird Special by New York Times–bestselling author Deirdre Martin Fashion exec Dana Fine

lives a fabulous life of international travel and glamour. But it only takes a few days visiting with her matchmaking grandparents for her to long for something more. Or maybe it's sexy landscaper Josh Green who's got her all hot and bothered. It'll take some work—and perhaps posing as a blushing bride—to get what she really wants. *Weddings Ink* by USA

Today—bestselling author Christie Ridgway Luke Harper was the last man wedding planner Charlotte Bond would ever date again. Then, her latest client demands Charlotte get up-close and personal with the whole bridal party—including best man Luke! But soon, business-only meetings turn to sultry nights, and suddenly Charlotte's “never” is coming dangerously close to “I do.” *All's Fair In Love And Chocolate* by international-bestelling author Laura Florand Going undercover as a bride-to-be, food blogger Eloise Layne is determined to learn charismatic French chocolatier Simon Casset's famously guarded secrets. But her investigation soon spins completely out of control—and somehow her man of mystery is succeeding in uncovering her every desire, one smoldering kiss at a time . . . So save the date and get ready to fall in love with these three romantic tales that are all worth celebrating . . .

Agatha Christie has never been substantially considered as a war writer, even though war is a constant presence in her writing. This interdisciplinary collection of essays considers the effects of these conflicts on the social and psychological textures of Christie's detective fiction and other writings, demonstrating not only Christie's textual navigation of her contemporary surroundings and politics, but also the value of her voice as a popular fiction writer reflecting popular concerns. *Agatha Christie Goes to War* introduces the ‘Queen of Crime’ as an essential voice in the discussion of war, warfare, and twentieth century literature. A New York Times bestseller! An Amazon Best Books of 2014 selection "If you're reading this, it means I'm already dead. Just kidding." In 2009, at thirty years old, Bryan Bishop's life was right on track. Known to millions as "Bald Bryan," the sidekick and soundman on the record-setting podcast, *The Adam Carolla Show*, his radio career was taking off. He was newly engaged. Then, he and his fiancée Christie were delivered a crushing blow when he was diagnosed with a brain stem glioma—an inoperable brain tumor. Suddenly Bryan's promising future was transformed into a grueling schedule of radiation and chemotherapy while facing his mortality. In this poignant narrative that is alternately heartbreaking and hysterical, Bishop shares the surreal experiences of writing his will with the bravado of a pulp novelist, taking chemo in a strip club, and (technically) the closest he ever got to achieving his lifelong dream of a threesome—when a physical therapist had to show his wife how to bathe him in the shower during his weakened state. Whether recounting his search for the most aggressive form of treatment, how radiation treatment jeopardized his ability to (literally) walk down the aisle or even smile for his wedding photos, or recalling the time his wife inadvertently drugged him in a pool in Maui, Bishop's inimitable voice radiates through his story. As the author celebrates how treatment shrunk his tumor and gave him a new lease on life, *Shrinkage* reveals the resilience of the human spirit—and the power of laughter—during even the darkest times. *Groundhog Day* meets *People We Meet on Vacation* in a funny and romantic novel about a couple who call off their wedding after a disastrous rehearsal dinner—only to wake up the next morning on an "irresistible" adventure (Elin Hilderbrand, New York Times bestselling author of *The Hotel Nantucket*). The wedding is tomorrow. If today ever ends. "A sweet, delightful romance." —People "An enchanting and compelling look at life's what-if's." —Helen Hoang "Terrific fun from beginning to end." —Sarah Haywood Megan Givens and Tom Prescott are heading into what is supposed to be their magical wedding weekend on beautiful San Juan Island. But with two difficult families, ten years of history, and all too many secrets, things quickly go wrong.

After a disastrous rehearsal dinner they vow to call the whole thing off—only to wake up the next morning stuck together in a time loop. Are they really destined to relive the worst day of their lives, over and over? And what happens if their wedding day does arrive? A funny, romantic, and big-hearted debut novel, *The Rehearsals* imagines what we might do if given a second chance at life and at love—and what it means to finally get both right. The magnificent Cutler family saga that began with *Dawn and Secrets of the Morning* continues with this stunning tale of Dawn Cutler's continuing quest for love and happiness amid the dark, tragic pull of Cutler's Cove. Every Andrews novel has been a New York Times #1 bestseller.

Simultaneously released in hardcover. Original. New York Times bestselling author Christie Craig returns with her next heart-stopping romantic suspense about a woman on the run and the man trying to uncover her secrets. Police detective Juan Acosta doesn't only carry scars on the outside. He's filled with guilt and anger ever since his undercover job led to the murder of those he loved the most. Now he's living for one thing: revenge. That is, until Juan meets his beautiful new neighbor. Vicki Holloway prides herself on being capable and independent, but her life is turned upside down when her sister Sara is killed by an abusive ex. Fearing for the safety of her niece, Vicki and the little girl go into hiding...resurfacing in Texas with new identities. Juan finds his once-frozen heart thawing around Vicki, but he knows she's hiding something. Juan needs answers, but Vicki isn't talking. She has to keep her secrets if she wants to keep Bell safe, which means resisting her growing feelings for the sexy, scarred man next door. But when Juan's quest for justice brings danger to her door, divulging the truth might be the only thing that keeps her alive. Includes the bonus novella "Hot Target" by April Hunt!

After a lifetime of undependable men, her brother's prison break brings Mr. Right into Macy's life—a Houston detective who won't let her be the one who got away. Professional bull rider Justin Forza might have to trade his cowboy boots for flip flops to win the woman he loves. Forzas aren't quitters. That's the motto professional bull rider Justin Forza's dad has drilled into his head since the first time he climbed into the bucking chute. After a serious injury, doctor's orders are to stay out of the arena. But if Justin can win one more championship, he'll be able to continue the family legacy, set himself up for life, and finally confess his love to his best friend Emmeline. Emmeline Porter lives by one rule: never date a bull rider. She's seen the damage a bad ride can cause. As a last resort to stop Justin from returning to the rodeo circuit, she convinces him to take a trip to Paradise Island, a tropical haven off the coast of Texas. She hopes cutting Justin off from the pressure his dad is laying on him will give her best friend the clarity he needs to walk away for good. The close quarters and island adventures put their friendship to the test, and it's not long before real feelings surface and threaten to sweep them both away. After photojournalist Shala Winters is hired to attract tourists to a tiny Texas town and her camera is found to hold evidence in a murder, she needs the protection of police chief Sky Gomez, to whom she is unwillingly attracted. In this dark and dangerous Texas small town, Annie Lakes' nightmares come alive when a cold case from her past reveals family secrets that put her life in jeopardy. Annie Lakes has had the same recurring nightmare for years. Her heart pounding in her chest. A panicked voice, begging her to run faster. Her own bloodcurdling scream. But now Annie is starting to realize it's more than just a bad dream. She's starting to remember things about the night her cousin Jenny disappeared all those years ago. Things that make her believe her family was involved--and what they're hiding is much worse than she ever imagined. But she can't unravel this alone. She needs someone she can trust, someone like sexy Detective Mark Sutton Mark has seen enough--too much--to assume that Annie's story is a dead end. It turns out that her family is hiding some

killer secrets. A long time ago, Annie was just an innocent little girl who saw something she shouldn't. Now she's a target, and Mark's running out of time to protect the woman he's starting to fall for. But how does Mark face off against a murderer who just may be someone Annie loves? *Guilt Kept Them Apart* It's been five years since Lady Jennette Selby's fiancé died. Each courting season since has been filled with suitors eager to win her affection. But Jennette's guilt has prompted her to swear off marriage. For her secrets are as dark as she is beautiful, and the accidental death of her fiancé was tainted by a forbidden attraction. . .

Passion Brought Them Together Matthew Harris, the new earl of Blackburn, has been scorned by the ton for unintentionally killing Lady Jennette's fiancé. Forced to sell his estates and abandon his tenants if he does not marry a wealthy, respectable woman, Matthew turns to Lady Jennette to help him find a suitable wife. But sharing such close quarters only re-ignites an all-consuming desire neither can resist--even as every shadow of the past threatens to tear them apart. . .

Praise for Christie Kelley and Every Night I'm Yours. . . "Sometimes becoming a fallen woman isn't as easy as it sounds. Oh! My!" --Kasey Michaels, *New York Times* bestselling author "Her appealing characters, sexual tension and charming story will enchant readers." --*Romantic Times*

When the city of love brings two lost souls together, only their darkest secrets can tear them apart. *Winter Deveaux* tried love once. It didn't end well. Unable to open herself up to another heartbreak, she hides in her romance novels as she struggles to break out as a real author. She thinks Paris holds the answer to a new start, but when her nightmare follows her across the world, she's forced to face the darkness living like cancer inside her soul. If she doesn't, she might miss her chance to become the kind of writer she's always wanted to be. But more than that, she'll miss out on the greatest love she's ever known.

Cade Savage is heir to the largest ranching family in Texas. Part cowboy, part architect, Cade has his feet forever in two worlds. When he receives an acceptance letter from the school of his dreams, he must decide between family and destiny. But ghosts from his past still haunt him, and circumstances beyond his control may decide his fate. When *Winter* and Cade meet, everything they believe about life, love and what it means to be happy is put to the test. Will the magic of Paris pull these two lost souls together? Or will their darkest secrets tear them apart?

Kiss Me in Paris is a standalone novel in the *Kiss Me Series*. Travel the world with the Deveaux sisters as they find love, and trouble, in all the right places. As the dim lights of the train station faded, Christine Bennett wondered if she would ever see home again. With the death of her grandfather, Christine experienced a deep loneliness she'd never felt before. The words of his will rang in her ears: "In the event of my granddaughter's death, everything will go to Vince Jeffers." Jeffers watched her with an evil look that made her shiver. Now, afraid of what might happen, she was obeying a note she had received saying she was in danger and must leave town immediately. After escaping to the community of Baxter, Christine begins to piece together a new life. The love she finds there, along with newfound faith, sustains her as she faces the threat of danger. To the outside world, famous Rockstar, Tommy Mars, died in a fiery car crash. Tommy aka Garrett has been leading a quiet life after years of skin grafts and nursing his damaged vocal cords. He never expects to be a legal guardian to a 17-year-old runaway with musical dreams of her own. But that's what you do for good friends like Gladys Caruthers, shop owner, and grandmother to Rafe, a student at Pendale High. Christie wants nothing more than to attend Pendale for her senior year. She fought hard to get there and intends to let nothing stand in her way. However, home life gets complicated when her mom's fiancé hits her. Abuse is a no go so she slams the door on her old life and stumbles into Gladys Caruthers's shop. Life is not a straight line. Love is complicated. Garrett and Christie

feel an attraction but deny it. Can the muse triumph over the obstacles? On the morning of 7 November 2011, Tracey Marceau lived every mother's worst nightmare. A young man entered her home, pushing Tracey to the side before kicking and repeatedly stabbing her daughter. Christie died in her mother's arms. Christie's killer, Akshay Chand, was released on bail just a month earlier for kidnapping Christie, during which he threatened to rape and kill her. Christie had begged the courts to keep him in custody, fearing for her life. Her death was entirely preventable. Christie is the story of her life, the events leading up to her killing, and previously untold details of what happened that day. Tracey shares how she and the family pulled together amid unthinkable tragedy and got their lives back on track. Importantly, this book questions how a calculating, cold-blooded killer could be found not guilty on grounds of insanity, and how our country's bail laws could let an ordinary family down so disastrously. Raw, moving and thought-provoking, Christie is a tribute to a daughter taken too soon. 'Christie will never be able to tell her story herself. But as the mum of such a bright star, I will ensure she is heard. I will never give up because I know that she never would have.' Tracey Marceau

Royalties from the sale of this book go to The Christie Marceau Charitable Trust Tommy's nickname is Lucky, but no one would think this crippled boy was blessed. Cursed with health problems and drawn into trouble more often than not, Tommy is the recipient of pity rather than admiration. He is nothing like his stepbrother Eric. Eric, a Nordic Adonis, is graced by a seemingly endless supply of good fortune—he is charming, a star athlete, and a magnet for anyone in his sphere. Yet in spite of these differences, Eric and Tommy are as close as two humans can be. After tragedy rips their makeshift family apart, the lives of these boys split. In a powerful story of modern-day resilience and redemption, Tommy and Eric forge their separate ways in the world, each confronting the challenges of his sphere. For Tommy this means dropping out of school, selling drugs, living on the streets, and somehow creating a family of his own. Motherless, African-American, and impoverished, Tommy has nothing but feels lucky every day of his life. For Eric, the golden youth, life means athletics, sexual attraction, excellent grades, prosperity, and the uncertainty that comes with prizes won too easily. Given everything, he trusts nothing. Eric and Tommy's parallel lives are an astonishing story of self-determination and the true measure of fortune. The ties that bind this Adonis and his sickly counterpart, however, are thicker than blood, and when circumstances reunite Eric and Tommy after years apart, their distinct approaches to life may be the only thing that can save them from forces that threaten to destroy them for good. Written with unique insight into the hidden currents and deeper realities of modern life, *Fortunate Son* is a tour de force by the author the *Boston Globe* calls "one of this nation's finest writers." DigiCat Publishing presents to you this special edition of "Work" (A Story of Experience) by Louisa May Alcott. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. The warmth of Katie Fforde and the festive charm of Trisha Ashley – Christmas sparkles with Fiona Harper! This Christmas, ex-WAG Louise Thornton is starting her new life, away from the paparazzi – and her cheating husband. Un-manicured, back on carbs and holding herself together courtesy of some seriously good foundation, Louise will make things perfect for her son, right up until he leaves for his dad's on the big day. Then she'll be free to curl up and cancel Christmas. But it turns out escaping the fame goldfish bowl comes with some perks: peace and quiet, no baying press, plus regular battles with her Mr Darcy-esque new neighbour to keep her edge. And the best thing about a

real, country Christmas is that there's always lots of mistletoe to be found... A New York Times Book Review Editors' Choice A Best Book of Fall at The Washington Post, BuzzFeed, BUST, and more "Dark yet sensitive explorations of family and love—of all kinds—from a masterful writer. The women at the centers of these stories are sharp-edged and complicated and irresistible; you won't be able to look away." —Celeste Ng Bold and unapologetic, Karen Shepard's *Kiss Me Someone* is inhabited by women who walk the line between various states: adolescence and adulthood, stability and uncertainty, selfishness and compassion. They navigate the obstacles that come with mixed-race identity and instabilities in social class, and they use their liminal positions to leverage power. They employ rage and tenderness and logic and sex, but for all of their rationality they're drawn to self-destructive behavior. Shepard's stories explore what we do to lessen our burdens of sadness and isolation; her characters, fiercely true to themselves, are caught between their desire to move beyond their isolation and a fear that it's exactly where they belong. If your New Year's resolution was to find the perfect upbeat romance read...this is it! Tess is ready to ring in the new year--will she have a new boy by her side? Tess and her opinionated older sister Lauren are spending the week after Christmas at the snowy Evergreen Lodge in Vermont--and they aren't happy about it. Their stern grandmother, who owns the holiday resort, is not known for her warmth and good humor. But when shy, straight-laced Tess meets Christopher in the lobby, things are suddenly looking up. Then, Tess decides to get out of her comfort zone and create a bucket list of things to accomplish before the New Year--like singing in public and skiing a black-diamond slope. And Christopher is happy to help, even as he keeps a secret that could turn everything upside down. When the ball drops, will Tess and Christopher share a magical kiss--or will Tess start the new year off alone? And if you love Hallmark movies and cozy holiday magic, don't miss *11 Paper Hearts* by Kelsey Hartwell! Fake dating is easy until opposites attract! Eccentric hippie, Onyx Sharp, is the maid of honor in her best friend's wedding. But she's not happy about having to spend so much time with the best man, Taylor. Not only does she distrust men, but being around him annoys her. The last thing she expects is for him to kiss her impulsively at a party before the wedding. And the main problem is, she wants him to kiss her one more time, but she's not sure she can let her heart trust again. Straight-laced surgeon Taylor Roberts is tired of being teased about being eternally single by the other groomsmen. He makes a bet that he can get the beautiful maid of honor to date him before the wedding is over. The problem is, she can't stand him! He promises he'll give up his booth in the Maple Creek Fall Festival to her mom's crystal shop if she'll pretend to date him, an offer he knows she can't pass up. The longer Onyx is around Taylor the more she feels drawn to him, despite being his polar opposite. Can she continue the facade of dating him when her heart gets involved? If you enjoy sweet romantic comedy set in a small town where opposites attract, then you'll love this book! When her remaining divorced and single friends get hitched, Kathy Callahan sets her sights on her hot plumber Stan Bradley and gets more than she bargains for when their tryst leads to a wild adventure. Original. 200,000 first printing. #1 INTERNATIONAL BESTSELLER • A moving, lyrical, beautifully-written portrait of a nurse and the lives she has touched Christie Watson spent twenty years as a nurse, and in this intimate, poignant, and remarkably powerful book, she opens the doors of the hospital and shares its secrets. She takes us by her side down hospital corridors to visit the wards and meet her unforgettable patients. In the neonatal unit, premature babies fight for their lives, hovering at the very edge of survival, like tiny Emmanuel, wrapped up in a sandwich bag. On the cancer wards, the nurses administer chemotherapy and, long after the medicine stops working, something more important--which

Watson learns to recognize when her own father is dying of cancer. In the pediatric intensive care unit, the nurses wash the hair of a little girl to remove the smell of smoke from the house fire. The emergency room is overcrowded as ever, with waves of alcohol and drug addicted patients as well as patients like Betty, a widow suffering chest pain, frail and alone. And the stories of the geriatric ward--Gladys and older patients like her--show the plight of the most vulnerable members of our society. Through the smallest of actions, nurses provide vital care and kindness. All of us will experience illness in our lifetime, and we will all depend on the support and dignity that nurses offer us; yet the women and men who form the vanguard of our health care remain unsung. In this age of fear, hate, and division, Christie Watson has written a book that reminds us of all that we share, and of the urgency of compassion.

New York Times bestselling author Christie Craig's thrilling romantic suspense about a by-the-book FBI agent who must trust a risk-taking detective for help tracking down her sister's killers. FBI agent Bree Ryan's latest mission is personal. She's posing as a waitress at the Black Diamond strip club, the same club where her estranged half sister worked until she turned up dead. When Bree's undercover assignment is compromised, she turns to the only man she knows who can help her: Connor Pierce, a too-sexy-for-his-own-good, rule-breaking cop with a knack for solving cold cases. When someone breaks into Bree's apartment, Connor's detective skills aren't the only things that kick into overdrive. Although his job demands he remain detached, now he finds himself tempted not only by Bree's beauty but also her intelligence and bravery. As the investigation -- and their attraction -- grows more intense, lives are in jeopardy, and Connor finds the most important rule he must break is his own. But can he put his heart on the line?

The three Baci sisters are on a mission to save the family winery by transforming it into a wedding destination. When Stevie Baci playfully names her own side business Napa Princess Limousine, she never dreamed she'd be driving a real prince around Napa Valley. Jacques Parini, aka "Jack", is looking to expand his family's wine interests. But after kissing Stevie, he finds this California girl in a black chauffeur's hat does more than drive him crazy. Sitting atop a hill overlooking the surrounding countryside, the Ravenhill School is a bastion of exclusivity, offering the children of the nation's first families a magnificent education and a refuge from the harsh realities beyond its ancient cloisters—until the first student is found dead, upside down in a campus garbage can. When the body count rises, it becomes clear that Ravenhill has been invaded by a serial killer with a particularly gruesome appetite for display, each successive slaying more grotesque than the last. As the clues multiply, panic grips the environs of Ravenhill, and expert Nick Fowler is called in from out of town to break the case. From the school's administrator who wants to keep the crimes under wraps to the police who resent an outsider's intrusion, Nick's investigation isn't sitting well with the locals. As Nick draws closer to penetrating the killer's twisted mind, he soon becomes a target. And when the murderer plants a series of taunting clues for Nick, he must tread carefully if he hopes to avoid a psychopath's deadly trap. "Latches on to you . . . and won't let go. . . . Eastburn has a truly diabolical mind . . . this book funnels you to death and horror with the frightening inevitability of a physical law."—D. Keith Mano, author of *Topless*

A mystery writer is forced to reconsider her policy against dating when she is protected from death threats by the sexiest cop she's ever seen. The follow-up to *How to Knit a Wild Bikini*. Who knew knitting could be so sexy? Young widow Juliet Weston finds solace and friendship at beachside knitting shop Malibu & Ewe. But closer to home, a longtime family friend and former soldier is the one who will help her discover just how to knit two hearts together.
