Each chapter consists of a topic of the week and contains a *Take Action Challenge* and a *Resources* section to support you in taking action quickly and easily. "Is sacramental anointing the same as last rites?" "Don't you have to have some kind of special gift to be part of the Church's healing ministry?" "Why am I sick? Is it God's punishment?" "Ever since I became sick, I don't feel like myself anymore." If life is a journey, what happens when our way is obstructed by sickness or failing health? In *Healing Touch and Saving Word*, Linda Malia draws upon the rich theology of the Anglican tradition personified in the Episcopal Church's sacramental liturgies of healing. In easy-to-understand language, *Healing Touch* examines the theological foundations of the Episcopal Church's healing liturgies, from the first Book of Common Prayer to the most recent sacramental rites. Probing the dynamics of symbol and ritual, the complex relationship of sin and sickness, and the spiritual and psychological impact of every serious illness, the book explores the power of these graced encounters in enabling the faithful to draw new hope and renewed purpose out of the chaos and turmoil of illness and debility. Individuals struggling with life-changing illness and those who care for them—clergy and laity alike—are sure to find *Healing Touch* a helpful and thought-provoking resource. "In this charming story about celebrating differences a Chinese-American girl wishes for a garden of bright flowers instead of one full of bumpy, ugly, vegetables. The neighbors' gardens look so much prettier and so much more inviting to the young gardener than the garden of "black-purple-green vines, fuzzy wrinkled leaves, prickly stems, and a few little yellow flowers" that she and her mother grow. Nevertheless, mother assures her that "these are better than flowers." Come harvest time, everyone agrees as those ugly Chinese vegetables become the tastiest, most aromatic soup they have ever known. As the neighborhood comes together to share flowers and ugly vegetable soup, the young gardener learns that regardless of appearances, everything has its own beauty and purpose. *THE UGLY VEGETABLES* springs forth with the bright and cheerful colors of blooming flowers and lumpy vegetables. Grace Lin's playful illustrations pour forth with abundant treasures. Complete with a guide to the Chinese pronunciation of the vegetables and the recipe for ugly vegetable soup! Try it . . . you'll love it, too! *AN EPISODE OF GRACE*, a full score of new stories by Linda McCullough Moore, will delight readers with uncanny

charm, disarming humor, and yes, unlikely but so-welcome episodes of grace. Here are divorcing parents, prisoners, patients, in-laws, wives and husbands caught up in living lives of complication, sometime regret, and willing honesty. These are people we know, people we are, but with a difference. Their confusions and misgivings vie with something very much like joy, like some new understanding of what love might be, of what redemption feels like. These stories take on loss and sadness, but you get your money back if they don't make you laugh out loud and think perhaps the human enterprise might just be worth another think. During the 1950s and early 1960s Flannery O'Connor wrote more than a hundred book reviews for two Catholic diocesan newspapers in Georgia. This full collection of these reviews nearly doubles the number that have appeared in print elsewhere and represents a significant body of primary materials from the O'Connor canon. We find in the reviews the same personality so vividly apparent in her fiction and her lectures--the unique voice of the artist that is one clear sign of genius. Her spare precision, her humor, her extraordinary ability to permit readers to see deeply into complex and obscure truths--all are present in these reviews and letters. Are you soul-weary? Do you struggle to make time for God in the midst of a packed schedule? Or do you sometimes stay so busy doing things for God that you can't relax and just "be"? Tells the story of Grace Di Biccari, an American evangelist and faith healer, and shares the accounts of those she has healed It took serious injuries from a roadside bomb to bring war photographer Drew Michaels back to his estranged wife, Larissa. His need for adventure had ultimately pushed Larissa toward the warm embrace of the church...and away from him. But now, being back in such close quarters with his first—and only—love, was stirring up feelings of peace and comfort he'd suppressed long ago. Yet his secrets could once again tear him away from the woman to whom he'd uttered the words "I do." Div Kabir (1398-1448) was an extraordinary poet whose works have been recited by millions of people throughout northern India for 500 years. He preached a sometimes shocking, always uncompromising message, exhorting his audience to shed their delusions and pretensions in favor of an intense and personal confrontation with truth. With characteristic eloquence and insight, Buechner presents a three-part series of reflections that probe, through the course of one day, the innermost mysteries of life. Blending an artist's eye for natural beauty, the true meaning of human encounters, and the significance of occurrences (momentous or seemingly trivial), with a wealth of personal, literary, biblical, and spiritual insights, he offers a matchless opportunity for readers to discover the hidden wisdom that can be gleaned through a heightened experience of daily life. *Other Voices, Other Lives* is a selection of poems, plays, and interviews drawn from over 40 years of work by one of America's most beloved and influential women of letters. A NEW YORK TIMES NOTABLE BOOK OF 2019 * BARNES & NOBLE DISCOVER GREAT NEW WRITERS PICK * OPRAH MAGAZINE SUMMER 2019 READING LIST SELECTION * NEW YORK TIMES EDITOR'S CHOICE "A soul-shaking chronicle of the 2015 Charleston massacre and its aftermath... [Hawes is] a writer with the exceedingly rare ability to observe sympathetically both particular events and the horizon against which they take place without sentimentalizing her subjects. Hawes is so admirably steadfast in her commitment to bearing witness that one is compelled to consider the story she tells from every possible angle." —The New York Times Book Review A deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston, South Carolina from Pulitzer Prize-winning journalist Jennifer Berry Hawes. On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation. Two days later, some relatives of the dead stood at Roof's hearing and said, "I forgive you." That grace offered the country a hopeful ending to an awful story. But for the survivors and victims' families, the journey had just begun. In *Grace Will Lead Us Home*, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath. With unprecedented access to the grieving families and other key figures, Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake. The two adult survivors of the shooting begin to make sense of their lives again. Rifts form between some of the victims' families and the church. A group of relatives fights to end gun violence, capturing the attention of President Obama. And a city in the Deep South must confront its racist past. This is the story of how, beyond the headlines, a community of people begins to heal. An unforgettable and deeply human portrait of grief, faith, and forgiveness, *Grace Will Lead Us Home* is destined to be a classic in the finest tradition of journalism. There is a benevolent force of energy available to guide your life, and it always has your best interests at heart. This energy is grace. A number one bestseller, this favourite New Zealand novel captures a real 19th century community. The bleak coal-mining settlement of Denniston, isolated high on a plateau above New Zealand's West Coast, is a place that makes or breaks those who live there. At the time of this novel - the 1880s - the only way to reach the makeshift collection of huts, tents and saloons is to climb aboard an empty coal-wagon to be hauled 2000 feet up the terrifyingly steep Incline - the cable-haulage system that brings the coal down to the railway line. All sorts arrive here to work the mines and bring down the coal: ex-goldminers down on their luck; others running from the law or from a woman or worse. They work alongside recruited English miners, solid and skilled, who scorn these disorganised misfits and want them off the Hill. Into this chaotic community come five-year-old Rose and her mother, riding up the Incline, at night, during a storm. No one knows what has driven them there, but most agree the mother must be desperate to choose Denniston; worse, to choose that drunkard, Jimmy Cork, as bedfellow. The mother has her reasons and her plans, which she tells no one. The indomitable Rose is left to fend for herself, struggling to secure a place in this tough and often aggressive community. The *Denniston Rose* is about isolation and survival. It is the story of a spirited child, who, in appalling conditions, remains a survivor. Catholic recording artist and popular blogger Susan Bailey reveals, in this personal and moving narrative, how several major losses helped her rediscover creativity and faith. Filled with powerful insights on the presence and action of grace—in the Mass and sacraments, in nature, and even in grief—*River of Grace* guides readers to strengthen their faith during tough times and discover their own hidden gifts. In just a few years' time, Bailey experienced one challenge after another: the deaths of her father and mother, financial issues, and the loss of her singing voice. Using the rich imagery of a river of grace, Bailey relates how her devotion to the Eucharist inspired her to see Christ's presence in her life and helped her to trust again. Each chapter of *River of Grace: Creative Passages Through Difficult Times* relates Bailey's experiences of loss and growth and features original activities and personal rituals that include everything from Joni Mitchell music videos and hot baths to imagery and uncooked spaghetti. These inspirational tools guide readers to reflect on their own experiences. Prayers and poetry are found throughout the book and a set of insightful reflection questions are placed at the end of each chapter. "Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives," says Cheryl Richardson, the *New York Times* bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book -- her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls "the unmistakable touch of grace" -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. *The Unmistakable Touch of Grace* helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete. "Sarah Kaufman offers an old-fashioned cure for a modern-day ailment. The remedy for our culture of coarseness is grace... This is an elegant, compelling, and, yes, graceful book." —Daniel H. Pink, author of *Drive*

In this joyful exploration of grace's many forms, Pulitzer Prize-winning critic Sarah L. Kaufman celebrates a too-often-forgotten philosophy of living that promotes human connection and fulfillment. Drawing on the arts, sports, the humanities, and everyday life—as well as the latest findings in neuroscience and health research—Kaufman illuminates how our bodies and our brains are designed for grace. She promotes a holistic appreciation and practice of grace, as the joining of body, mind, and spirit, and as a way to nurture ourselves and others. Features guidance on living gracefully inspired by Grace Kelly's life, and includes photographs, anecdotes, and quotes. *A Touch of Grace* is a book that would be a great gift for ministers and public speakers who appreciate having "sermon/message starters" and enjoy sharing stories, anecdotes, and metaphors. A book of encouragement! The arrival of a wealthy young man leads Grace to question what

she really wants in life. The second and final volume of the collected best work of Vogue editor and international fashion icon Grace Coddington. "Grace is more than just a story, it's more than just a theology, and it's more than just a powerful force—no, grace is a person, and his name is Jesus. Jesus is the grace of God." —Paul David Tripp There is nothing we can do to earn God's grace—it is a gift. Through 40 daily meditations from his best-selling devotional *New Morning Mercies*, popular author and speaker Paul David Tripp explores the role grace plays in the everyday life of a Christian. He reminds us that God, in his infinite mercy, can radically transform even the weakest people by the life-changing power of his grace through his Son, Jesus Christ. *DIV* In book two of the *Touch of Grace* series, Elsie Kline can't forgive her sister for leaving the Amish community. Can she work through her bitterness and humble herself enough to give and receive the grace she needs? *Life in Blessing*, North Dakota, becomes difficult when courageous and gentle Grace Knutson is presented with an agonizing dilemma. This tender and amusing novel is set in New Zealand in the nineties, with the Springbok Tour still a recent memory, and as the country debates whether to adopt MMP. Letter-writing is about to give way to email, but elderly Grace will resist the trend. Through letters and stories, we learn of her friendships, the interactions of the argumentative bowling club, her growing attraction to and relationship with Max, and the jealousy this engenders in her closest friend, Mildred. As the story unfolds, Grace faces new challenges, and the problems of younger people invade her solitary life. Grace touches the lives of many with her warmth, her feistiness, her intelligence and her frailty. Starting life as a popular radio series, this is another compelling novel from bestselling author, Jenny Patrick. Poised, cultured, and unforgettable, Grace Kelly had the aura of a princess, even before she was crowned. She exuded grace, polish, flair, and serenity as a fashion icon, actor, and humanitarian.
