**The War of the Worlds** Aug 15 2021 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

**THROUGH EUROPE ON THE EVE OF W** Aug 03 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. **Empires of EVE** Sep 15 2021 Empires of EVE: Volume 2 is a direct sequel to the events of the first story as the star cluster is left reeling from the collapse of its first hegemon, Band of Brothers.

**The Kidnapping Club** Jul 14 2021 Winner of a 2020-2021 New York City Book Award In a rapidly changing New York, two forces battled for the city's soul: the pro-slavery New Yorkers who kept the illegal slave trade alive and well, and the abolitionists fighting for freedom. We often think of slavery as a southern phenomenon, far removed from the booming cities of the North. But even though slavery had been outlawed in Gotham by the 1830s, Black New Yorkers were not safe. Not only was the city built on the backs of slaves; it was essential in keeping slavery and the slave trade alive. In The Kidnapping Club, historian Jonathan Daniel Wells tells the story of the powerful network of judges, lawyers, and police officers who circumvented anti-slavery laws by sanctioning the kidnapping of free and fugitive African Americans. Nicknamed "The New York Kidnapping Club," the group had the tacit support of institutions from Wall Street to Tammany Hall whose wealth depended on the Southern slave and cotton trade. But a small cohort of abolitionists, including Black journalist David Ruggles, organized tirelessly for the rights of Black New Yorkers, often risking their lives in the process. Taking readers into the bustling streets and ports of America's great Northern metropolis, The Kidnapping Club is a dramatic account of the ties between slavery and capitalism, the deeply corrupt roots of policing, and the strength of Black activism.

*Preludes to War* Jan 26 2020 When a demon king demands the repayment of a favor, Karian Vanador finds herself prisoner to his wishes. But all is not as it appears...Working behind enemy lines, Kari must turn the unexpected into an advantage. War between the worlds of Citaria and Mehr'Durillia is inevitable, but the question of where it will be fought lies in her hands. If she can strike just the right blow, Kari may keep the battle far from the realms of her people.If she can gain the blessing of a demon king, the acceptance of an enemy people, and the love of a demoness, she can restore the faith of a people enslaved for over ten thousand years. Grab your copy of Book 6 in the epic Eve of Redemption Series today!

**We Learnt About Hitler at the Mickey Mouse Club** Jul 02 2020 Enid Elliot Linder was the daughter of a butler and a lady's maid in service in some of England's grandest country houses. Evoking the lost world of a childhood 'below stairs', Linder's touching memoir describes how her life changed as Britain headed towards war. After the family moved to a Marylebone tenement, her father sought work in London restaurants whilst battling personal demons. Meanwhile Linder's aunt was nanny to a high-ranking member of the British Union of Fascists as they grew in influence. In a photorealistic and immensely charming narrative reminiscent of Patrick Hamilton, Linder evokes the sights and smells of prewar London - and of lonely Cornwall, to where she was unhappily evacuated - in a way that will appeal to fans of Call The Midwife or Downton Abbey. A unique personal account of a tumultuous time.

**On Little Wings** Apr 22 2022 Sixteen-year-old Jennifer travels to Smithport, Maine, to learn about the family her mother has kept a secret.

**America on the Eve of the Civil War** Aug 27 2022 "This remarkable publication provides a captivating and brilliantly executed series of conversations among seventeen most impressive historians. These participants in a daylong conference focusing on the extraordinary years leading to the Civil War provide an incredible range of historical information that is both educational and exciting. Here is an opportunity to draw on a lively exchange between a substantial number of knowledgeable and entertaining scholars."—James Oliver Horton, author of Landmarks of African American History

*Eve of a Hundred Midnights* Dec 27 2019 The unforgettable true story of two married journalists on an island-hopping run for their lives across the Pacific after the Fall of Manila during World War II—a saga of love, adventure, and danger. On New Year's Eve, 1941, just three weeks after the attack on Pearl Harbor, the Japanese were bombing the Philippine capital of Manila, where journalists Mel and Annalee Jacoby had married just a month earlier. The couple had worked in China as members of a tight community of foreign correspondents with close ties to Chinese leaders; if captured by invading Japanese troops, they were certain to be executed. Racing to the docks just before midnight, they barely escaped on a freighter—the beginning of a tumultuous journey that would take them from one island outpost to another. While keeping ahead of the approaching Japanese, Mel and Annalee covered the harrowing war in the Pacific Theater—two of only a handful of valiant and dedicated journalists reporting from the region. Supported by deep historical research, extensive interviews, and the Jacoby's personal letters, Bill Lascher recreates the Jacoby's thrilling odyssey and their love affair with the Far East and one another. Bringing to light their compelling personal stories and their professional life together, Eve of a Hundred Midnights is a tale of an unquenchable thirst for adventure, of daring reportage at great personal risk, and of an enduring romance that blossomed in the shadow of war.

**On the Eve** May 24 2022 On the Eve is the portrait of a world on the brink of annihilation. In this provocative book, Bernard Wasserstein presents a new and disturbing interpretation of the collapse of European Jewish civilization even before the Nazi onslaught. In the 1930s, as Europe spiraled toward the Second World War, the continent's Jews faced an existential crisis. The harsh realities of the age—anti-Semitic persecution, economic discrimination, and an ominous climate of violence—devastated Jewish communities and shattered the lives of individuals. The Jewish crisis was as much the result of internal decay as of external attack. Demographic collapse, social disintegration, and cultural dissolution were all taking their toll. The problem was not just Nazism: In the summer of 1939 more Jews were behind barbed wire outside the Third Reich than within it, and not only in police states but even in the liberal democracies of the West. The greater part of Europe was being transformed into a giant concentration camp for Jews. Unlike most previous accounts, On the Eve focuses not on the anti-Semites but on the Jews. Wasserstein refutes the common misconception that they were unaware of the gathering forces of their enemies. He demonstrates that there was a growing and widespread recognition among Jews that they stood on the edge of an abyss. On the Eve recaptures the agonizing sorrows and the effervescent cultural glories of this last phase in the history of the European Jews. It explores their hopes, anxieties, and ambitions, their family ties, social relations, and intellectual creativity—everything that made life meaningful and bearable for them. Wasserstein introduces a diverse array of characters: holy men and hucksters, beggars and bankers, politicians and poets, housewives and harlots, and, in an especially poignant chapter, children without a future. The geographical range also is vast: from Vilna (the “Jerusalem of the North”) to Amsterdam, Vienna, Warsaw, and Paris, from the Judeo-Espagnol-speaking stevedores of Salonica to the Yiddish-language collective farms of Soviet Ukraine and Crimea. Wasserstein's aim is to “breathe life into dry bones.” Based on comprehensive research, rendered with compassion and empathy, and brought alive by telling anecdotes and dry wit, On the Eve offers a vivid and enlightening picture of the European Jews in their final hour.

**Christmas Eve in War Times** May 12 2021 During the American Civil War, the poor family of a missing Union soldier must cope with their struggles on Christmas Eve. This restored version of the story features a biography of the author, Edward Payson Roe, in the beginning.

**Stumbling Colossus** Nov 05 2020 Drawing on evidence never before seen in the West, including combat records of early engagements, David Glantz claims that in 1941 the Red Army was poorly trained, inadequately equipped, ineptly organized, and consequently incapable of engaging in large-scale military campaigns - and both Hitler and Stalin knew it. He provides a complete and convincing study of why the Soviets almost lost the war that summer, dispelling many of the myths about the Red Army that have persisted since the war and soundly refuting Viktor Suvorov's controversial thesis that Stalin was planning a preemptive strike against Germany.

*Necessary Targets* Nov 17 2021 THE STORY: In NECESSARY TARGETS, two American women, a Park Avenue psychiatrist and an ambitious young writer, travel to Bosnia to help women refugees confront their memories of war. Though the two have little in common beyond the methods they use **Combat Ready? The Eighth U.S. Army on the Eve of the Korean War** Feb 27 2020 In the decades since the "forgotten war" in Korea, conventional wisdom has held that the Eighth Army consisted largely of poorly trained, undisciplined troops who fled in terror from the onslaught of the Communist forces. Now, military historian Thomas E. Hanson argues that the generalizations historians and fellow soldiers have used regarding these troops do little justice to the tens of thousands of soldiers who worked to make themselves and their army ready for war. In Hanson's careful study of combat preparedness in the Eighth Army from 1949 to the outbreak of hostilities in 1950, he concedes that the U.S. soldiers sent to Korea suffered gaps in their professional preparation, from missing and broken equipment to unevenly trained leaders at every level of command. But after a year of progressive, focused, and developmental collective training--based largely on the lessons of combat in World War II--these soldiers expected to defeat the Communist enemy. By recognizing the constraints under which the Eighth Army operated, Hanson asserts that scholars and soldiers will be able to discard what Douglas Macarthur called the "pernicious myth" of the Eighth Army's professional, physical, and moral ineffectiveness.

**Eva and Eve** Jun 24 2022 Julie Metz's unforgettable account of her late mother's childhood in Nazi-occupied Austria and the parallels she sees in present-day America.

**Eve of Destruction** Mar 29 2020 In an age of new threats to international security, the old rules of war are rapidly being discarded by the great powers. This study explores how and why states will exercise the preventive use of force in the twenty-first century, and how this violence might be contained and controlled.

**Brazilian Communism, 1935-1945** Sep 03 2020 The Brazilian Communist Party was one of the largest Communist parties in Latin America until its split and dissolution in the 1990s. Although not granted legal status as a political party of Brazil until 1985, the Partido Comunista Brasileiro (PCB) has been tolerated by that country's regime. Such governmental tolerance of the PCB was not always the case. In the past, the regime of Getúlio Vargas practiced savage forms of repression against Brazilian leftists, whose "Red extremism" was cited by both government leaders and the press as sufficient cause for Vargas' adoption of the most extreme measures. Brazilian Communism, 1935–1945 is an objective and remarkably comprehensive account of the Brazilian Communist Party's struggle to survive those days of repression. From his prison cell, PCB leader Luís Carlos Prestes guided the Party's quarreling factions. All who were associated with the Left shared a common enemy: the police, who used the most brutal forms of torture to extract information about leftist activities. Young Elza Fernandes, companion of the PCB's secretary general, was one whom the police interrogated. Suspecting that she had betrayed them, the Party itself arranged her murder. Dulles' vivid account of this violent chapter in Latin American history is based on exclusive interviews with leading activists of the period and exhaustive research in the archives of both the PCB and the Brazilian police. The results make fascinating reading for Latin Americanists, historians of World War II, and students of international Communism alike.

**The War of the Worlds Illustrated** Oct 05 2020 The War of the Worlds is a science fiction novel by English author H. G. Wells, first serialised in 1897 by Pearson's Magazine in the UK and by Cosmopolitan magazine in the US. The novel's first appearance in hardcover was in 1898 from publisher William Heinemann of London. Written between 1895 and 1897, it is one of the earliest stories to detail a conflict between mankind and an extraterrestrial race. The novel is the first-person narrative of both an unnamed protagonist in Surrey and of his younger brother in London as southern England is invaded by Martians. The novel is one of the most commented-on works in the science fiction canon.

**The Eve of Destruction** Feb 18 2022 On October 6, 1973—Yom Kippur, the holiest day of the Jewish calendar—the Arab world launched a bold and ingeniously conceived surprise attack against Israel. After three days of intense, bloody combat, an unprepared Israel was fighting for survival, while the Arabs, with massive forces closing in on the Jewish heartland, were poised to redeem the honor lost in three previous wars. Based on declassified Israeli government documents and revealing interviews with soldiers, generals, and intelligence operatives on both sides of the conflict, The Eve of Destruction weaves a suspenseful, eye-opening story of war, politics, and deception. It also tells the moving human tale of the men and women who fought to maintain love and honor as their lives and destinies were swept up in the Yom Kippur War.

**World's Fairs on the Eve of War** Sep 27 2022 Since the first world's fair in London in 1851, at the dawn of the era of industrialization, international expositions served as ideal platforms for rival nations to showcase their advancements in design, architecture, science and technology, industry, and politics. Before the outbreak of World War II, countries competing for leadership on the world stage waged a different kind of war—with cultural achievements and propaganda—appealing to their own national strengths and versions of modernity in the struggle for power. World's Fairs on the Eve of War examines five fairs and expositions from across the globe—including three that were staged (Paris, 1937; Dusseldorf, 1937; and New York, 1939–40), and two that were in development before the war began but never executed (Tokyo, 1940; and Rome, 1942). This coauthored work considers representations of science and technology at world's fairs as influential cultural forces and at a critical moment in history, when tensions and ideological divisions between political regimes would soon lead to war.

**Necessary Targets** Apr 30 2020 In her first new work since The Vagina Monologues, her Obie Award-winning smash hit, Eve Ensler tells the story of two American women, a Park Avenue psychiatrist and a human rights worker, who go to Bosnia to help women confront their memories of war and emerge deeply changed themselves. Necessary Targets is a groundbreaking play about women and war—about the violence of dark memories and the enduring resilience of the human spirit. Melissa, an ambitious young writer, and J.S., a successful but unsatisfied middle-aged psychiatrist, have nothing in common beyond the methods they have been taught to distance themselves from other people. As J.S. begins to feel compassion for the women whose tragedies she has been sent to expose, she turns on Melissa, who finds safety in control. In an unexpected moment of revelation, J.S. and the women she is supposedly treating find a common ground, a place to be taught and a place to learn. Necessary Targets has been staged in New York by Meryl Streep, Anjelica Huston, and Calista Flockhart, and performed in Sarajevo with Glenn Close and Marisa Tomei.
