A Delicious Country Jul 14 2021 In 1700, a young man named John Lawson left London and landed in Charleston, South Carolina, hoping to make a name for himself. For reasons unknown, he soon undertook a two-month journey through the still-mysterious Carolina backcountry. His travels yielded *A New Voyage to Carolina* in 1709, one of the most significant early American travel narratives, rich with observations about the region's environment and Indigenous people. Lawson later helped found North Carolina's first two cities, Bath and New Bern; became the colonial surveyor general; contributed specimens to what is now the British Museum; and was killed as the first casualty of the Tuscarora War. Yet despite his great contributions and remarkable history, Lawson is little remembered, even in the Carolinas he documented. In 2014, Scott Huler made a surprising decision: to leave home and family for his own journey by foot and canoe, faithfully retracing Lawson's route through the Carolinas. This is the chronicle of that unlikely voyage, revealing what it's like to rediscover your own home. Combining a traveler's curiosity, a naturalist's keen observation, and a writer's wit, Huler draws our attention to people and places we might pass regularly but never really see. What he finds are surprising parallels between Lawson's time and our own, with the locals and their world poised along a knife-edge of change between a past they can't forget and a future they can't quite envision.

Unleash the Beast Jul 26 2022 At his heaviest, Mark Rucker weighed 386 pounds. Despite his efforts, he never managed to lose weight and keep it off, instead falling back into old habits. One fateful afternoon, he visited a theme park with his family and found he couldn't fit on the roller coasters--and couldn't share that experience with his daughter. Armed with new motivation, Mark set out to change his life: to lose the weight, regain his health, and earn back the chance to live his fullest life. What began as a journey back to health became a campaign to complete one of the most grueling athletic feats in the world: the Ironman Triathlon, a day-long race covering nearly 150 miles by water, bicycle, and foot. In 2013, a few short years after struggling to walk a mile, Mark completed Ironman Louisville. This book tells the story of Mark's struggle and offers his insights and motivation on his journey to rediscover the greatness within, including the six-part process he defined through his own experience.

Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Sep 27 2022 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience. They enter the chaplaincy after a rigorous selection process and military courses, which all must verify their calling to military ministry. Throughout a chaplain's career, he or she will attend many continuing education seminars, civilian education graduate programs, and conferences, all provided by the military. However, chaplains are challenged with the rigorous multitasked environment of this ministry. Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier. This book encourages the importance of spiritual resiliency in the lives of leaders, both military and civilian. Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure, or burnout. Second, the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve. Third, practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith.

Rediscovering Passion and Purpose in a Crisis Jul 02 2020 Since the beginning of 2020, much of the world has sat on pins and needles worrying and wondering about the amount of havoc Coronavirus will wreak once it's all said and done. But aside from utter torture and frustration, the current pandemic has also created an opportunity of reflection. This is a time to go back to the drawing board and reflect on how our lives look and how we want it to look. Allow Dr. Tameka Price to help you go back to the drawing board and reinvent the life you've always imagined using a short story based on her own personal journey. *Rediscovering Passion and Purpose in a Crisis* is a self-help guide to understanding who you are, whose you are, and why you are who you are! Your life does not have to be mediocre, even in the mayhem caused by a pandemic. If you feel like you have lost it all, allow Dr. Price to journey with you through one of life's toughest moments: navigating the pandemic. This "think" book is designed to do just that: to help you think. Think about your life, think about when and where you jumped off track, and last, think about how to jump back on again. You may get lost from time to time on this journey called "life", but all is not lost and neither are you.

Two Journeys to Manhood Oct 29 2022 *Two Journeys to Manhood; Rediscover The Power of a Rite of Passage for Your Son.* When does a boy become a man? Seems like an easy question, yet most men, if they are honest, don't know exactly when they moved from boyhood into manhood. Historically this wouldn't even be a discussion as most cultures actively prepared their sons to be men and then at an appointed time blessed them as men. Why is it that we seemed to have lost our way when it comes to intentionally preparing our sons to be men? The book is written for parents, grandparents, and mentors who are interested in actively preparing a boy to become a good man. Evan Hanson shares his personal story, *Two Journeys to Manhood; Rediscovering the Power of a Rite of Passage for Your Son*, of how he answered the question about manhood for himself and then how he actively prepared his son to be a man that culminated with a rite of passage. The book is written in a first person story format that is compelling and to the point. Evan is a Marriage and Family Therapist and President of Wild Hope Legacy.

The Journey from Fear to Freedom Aug 15 2021 The powerful secrets in this book are the very steps that Tara used to take herself through a tumultuous time, beginning with the unexpected loss of her husband. With the wave of feelings, emotions, and realizations that came as a result, she made the conscious choice to take on her life and boldly embrace the path of rediscovering the life she has always imagined. In doing so, readers can experience her book through honesty, humor, and bravery. Her story inspires readers to do the same. Following each chapter, she's included worksheets. So those who choose to can also courageously start their own voyage of creating the life they truly want. This book is your invitation to try something different-to take a leap of faith that your true life is waiting just on the other side of fear.

Journeys on the Edge Nov 25 2019

Here Be Dragons Apr 30 2020 Two parents challenge one another to find balance between work and family life. Their stories are both uproarious and poignant as they raise children and strive to leave their mark on the wider world. Filled with tender moments and plenty of laughs, *Here Be Dragons* recounts the adventures of a family trying to stay afloat, and offers a life raft to the rest of us in choppy waters.

Rediscovering Love Oct 17 2021 *Rediscovering Love* is written as a guide for those people who refuse to accept the idea that the best days of their relationship are behind them and who have the courage and willingness to try and repair or strengthen their partner relationship. Learning why relationships deteriorate and helping the reader take a hard, interpersonal look at ways they may be sabotaging their relationships creates a pathway toward new levels of communication and tools for improving the quality of an existing or new relationship.

Faith, Family, and Freedom Nov 17 2021

Activating Joy Mar 22 2022 This book takes you on a 40-day journey that draws from the richness of joy packed scriptures and calls the reader to pull from their own reserves to activate the power of joy that is within them. A call-to-action to rediscover the inherent power found in joy. Strap on your boots and join the journey that leads you to rediscover one of the most powerful weapons in your arsenal, the power of joy.

The Unexpected Journey Aug 22 2019 Following Jesus is a journey none of the people in this book ever expected to take. Why did they? What difference did it make? The book you're holding is dangerous. If you read it, you'll see that God is still active in saving even the most unexpected people: An atheist woman who viewed Christians as "idiots." A married couple high in the leadership ranks of the Mormon church. An African-American man who became a Black Muslim out of hatred for white Christians. You'll be amazed, moved, and encouraged as you read their compelling stories and the stories of nine others who made The Unexpected Journey from non-Christian beliefs to faith in Jesus Christ. You'll rediscover the power of the gospel. You might even be emboldened to tell others about Christ yourself. Unexpected journeys beyond • Mormonism • Judaism • Hinduism • Atheism • Jehovah's Witness • Agnosticism • Wiccan Paganism • Buddhism • Unitarianism • Astrology • Islam • Satanism

Rediscovering the Prairies Feb 18 2022 In the early days, Plains Indians travelled on foot across the vast Canadian prairies, with only fierce, wolf-like dogs as companions. Later, with the arrival of Europeans, horses and canoes appeared on the scene. In *Rediscovering the Prairies*, Norman Henderson, a leading scholar of the world's great temperate grasslands, revives the earlier modes of prairie travel. He journeys along 325 kilometres of Saskatchewan's Qu'Appelle Valley by dog and travois (the wooden rack pulled by dogs and horses used by First Nations to transport belongings), then by canoe, and finally by horse and travois. Henderson's often humorous descriptions of his attempts to find and train a dog and a horse highlight the difficulties involved in recreating traditional travel methods. Henderson interweaves his own adventures with the exploits of earlier travellers, such as La Vérendrye, Alexander Henry and Peter Fidler, and the experiences of fur traders and others who struggled across this strange and forbidding landscape. His captivating account will foster a better appreciation for, and a deeper understanding of, the natural and human history of the Canadian prairies.

Your Restoration Journey Dec 19 2021 YOU DESERVE A REDEMPTION STORY! God wants to give you yours. Do you feel as though your life is harder than most people's because you've been through a divorce? Do you wonder what life storm will come through next and knock you off your feet, yet again? Do you need help thriving after divorce but just don't know how to get there? Jen Grice experienced all this after divorce. She wanted to trust God and all of His promises yet struggled to stay strong. Thriving seemed impossible when she was working through so many emotions and just trying to survive. She wanted to see quick redemption and restitution for all that was lost. And God came through. This 8-week (forty days) Bible study is a faith-strengthening journey that will guide you through the healing of your raw emotions and the rediscovery of your faith. You'll find a place of rest in your understanding of: God's presence and deep love for you? Your identity, gifts, and calling? His restoration and renewal process? His ability to give you a fresh start You can become deeply rooted in God's love and acceptance. You are His masterpiece, and He has a divine purpose for your life. You only need to keep taking the steps forward on the journey. Through renewed faith, redemption, and restoration, you will find you can become a woman of fearless faith and purpose after divorce.

Rediscovering Kai Feb 27 2020 When we first accept Christ into our hearts, we think that's the end of it. But there's more than that. We have to nurture that relationship, and Kai didn't. He accepted Christ into his heart at a very young age and thought that was the end of it. He, like all young people, thought he knew everything. He read his Bible and knew plenty of verses, but that was just intellect. He wasn't saturated with it to keep him safe from the snares Satan was going to set for him as he was getting older. He was the man--everyone looked to him because he was almost the perfect Christian--but he had a very patient and relentless enemy who was just waiting for the perfect opportunity to attack. And that's just what he did. He attacked Kai, and Kai never knew what hit him. It just came

After the Casseroles Feb 06 2021 What happens after the casseroles stop coming? Is there help for those who are left behind in brokenness and unrelenting grief? Grief affects every facet of life--from spiritual to physical, emotional to financial, and can paralyze the strongest of individuals. Dr. Jerry Jones, who has worked with hundreds of grieving people for more than twenty-five years says, "It is not mental illness; it is grief." After the Casseroles explores the scope of grief, and outlines the path from brokenness to healing. While there are no quick fixes, helpful and proven strategies will help the grieving restore equilibrium. Develop the skills for living alongside the grief. Rediscover hope for recovery. Find out how to regain a life of purpose. Learn how to help others in their grief.

The Crossover Oct 05 2020 The Crossover navigates the intricate details of the defining moment that changed the course of Apostle Paul's life, based on Acts 9. More than a historic account, The Crossover characterizes the paths that will empower you, as a reader, to embrace the journey of finding God, rediscovering yourself, and starting the journey toward your authentic life. This book is written to encourage people of all backgrounds that, no matter who you are or where you have been, God has a unique and beautiful journey for your life! So, join us in the journey of moving from where you are to where God wants you to be. Let's CROSSOVER!

Backroads of Paradise Apr 22 2022 In the 1930s, the Federal Writers' Project sent mostly anonymous writers, but also Zora Neale Hurston and Stetson Kennedy, into the depths of Florida to reveal its splendor to the world. The FWP and the State of Florida jointly published the results as *Florida: A Guide to the Southernmost State*, which included twenty-two driving tours of the state's main roads. Eventually, after Eisenhower built the interstates, drivers bypassed the small towns that thrived along these roads in favor of making better time. Those main roads are now the state's backroads--forgotten by all but local residents, a few commuters, and dedicated road-trippers. Retracing the original routes in the Guide, Cathy Salustri rekindles our notions of paradise by bringing a modern eye to the historic travelogues. Salustri's 5,000-mile road trip reveals a patchwork quilt of Florida cultures: startling pockets of history and environmental bliss stitched against the blight of strip malls and franchise restaurants. The journey begins on US 98, heading west toward the Florida/Alabama state line, where coastal towns dot the roadway. Here, locals depend on the tourism industry, spurred by sugar sand beaches, as well as the abundance of local seafood. On US 41, Salustri takes us past the state's only whitewater rapids, a retired carnie town, and a dazzling array of springs, swamps, and rivers interspersed with farms that produce a bounty of fruit. Along US 17, she stops for milkshakes and hamburgers at Florida's oldest diner and visits a collection of springs interconnected by underwater mazes tumbling through white spongy limestone, before stopping in Arcadia, where men still bring cattle to auction. Desperately searching for skunk apes, the Sunshine State's version of Bigfoot, she encounters more than one gator on her way through the Everglades, Ochopee, and the Skunk Ape Research Headquarters. Following the original Guide, Salustri crisscrosses the state from the panhandle to the Keys. She guides readers through forgotten and unknown corners of the state--nude beaches, a rattlesnake cannery, Devil's Millhopper in Gainesville--as well as more familiar haunts--Kennedy Space Center and The Villages, "Florida's Friendliest Retirement Hometown." Woven through these journeys are nuggets of history, environmental debates about Florida's future, and a narrative that combines humor with a strong affection for an oft-maligned state. Today, Salustri urges, tourists need a new nudge to get off the interstates or away from Disney in order to discover the real Florida. Her travel narrative, following what are now backroads and scenic routes, guides armchair travelers and road warriors alike to historic sites, natural wonders, and notable man-made attractions--comparing the past views with the present landscape and commenting on the changes, some barely noticeable, others extreme, along the way.

A Voyage Long and Strange Dec 27 2019 The bestselling author of *Blue Latitudes* takes us on a thrilling and eye-opening voyage to pre-Mayflower America On a chance visit to Plymouth Rock, Tony Horwitz realizes he's mislaid more than a century of American history, from Columbus's sail in 1492 to Jamestown's founding in 1607. Did nothing happen in between? Determined to find out, he embarks on a journey of rediscovery, following in the footsteps of the many Europeans who preceded the Pilgrims to America. An irresistible blend of history, myth, and misadventure, *A Voyage Long and Strange* captures the wonder and drama of first contact. Vikings, conquistadors, French voyageurs--these and many others roamed an unknown continent in quest of grapes, gold, converts, even a cure for syphilis. Though most failed, their remarkable exploits left an enduring mark on the land and people encountered by late-arriving English settlers. Tracing this legacy with his own epic trek--from Florida's Fountain of Youth to Plymouth's sacred Rock, from desert pueblos to subarctic sweat lodges--Tony Horwitz explores the revealing gap between what we enshrine and what we forget. Displaying his trademark talent for humor, narrative, and historical insight, *A Voyage Long and Strange* allows us to rediscover the New World for ourselves.

Rediscovering the Kingdom Expanded Edition Mar 29 2020 When governments collapse, human philosophies fail and your life is crashing down around you, *Rediscovering the Kingdom* will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed--humanism, communism, totalitarianism, fascism, socialism and even democracy. This is a philosophy, an ideology that will not fail, for it was born in the

heart of God Himself. As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about. Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue—the Kingdom of God. In this book you will discover: • The keys that make the Kingdom function in your life. • Why religion cannot solve your problems. • Why governments and world leaders continue to fail us. • Why religion can never fulfill your deepest desire. • Why power is the pursuit of all mankind. • The present and future reality of the Kingdom among us. • The original message and purpose of Jesus.

Rediscovering America Jan 08 2021 With *Rediscovering America*, Brian Kahn takes us on an extraordinary journey. Joining a crew of Russian journalists on their search for the soul of America, he learns much about his native land. As with his previous book, *Real Common Sense*, Kahn reminds us of the "the rich diversity, honor and heart of our people," and he seeks to connect us to our most profound values, the values of this nation's founders. Kahn's bracing travelogue, full of surprises and portents, offers a clear-eyed look at the conflicted reality in America's 21st century, but manages what might seem impossible in these dark times, to offer hope for an American "life more real, more deeply meaningful. . . ."

Rediscovering Travel: A Guide for the Globally Curious Jan 26 2020 A revolutionary philosophy for rookie and veteran travelers alike, *Rediscovering Travel* "gets to the heart of why we travel" (Matt Kepnes, "Nomadic Matt"). Having captivated millions during his tenure as the New York Times's "Frugal Traveler," Seth Kugel is one of our most internationally beloved travel writers. With the initial publication of *Rediscovering Travel*, he took the corporate modern travel industry to task, determined to reignite an age-old sense of adventure that has virtually been vanquished by the spontaneity-obliterating likes of Google Maps, TripAdvisor, and Starwood points. Now in travel-friendly paperback, this "funny, inspiring and well-crafted" companion (Associated Press) reveals how to make the most of new apps and other digital technologies without being shackled to them. Writing for the tight-belted tourists and the first-class flyer, the eager student and the comfort-seeking retiree, Kugel shows all readers "not only where to look, but how" (Samantha Brown), and promises that we too can rediscover the joy of discovery. "Travel is not about the destination but the experience. . . . That's what makes [it] so appealing, so addictive, and that's what makes *Rediscovering Travel* so necessary." —Peter Greenberg

Strength for the Journey, Second Edition Mar 10 2021 • Updated version of spiritual autobiography from an important voice in the church • Insights on how parishes have confronted issues of change As a standard in the field of spiritual autobiography, Diana Butler Bass' *Strength for the Journey* has been a guide for thousands of Christians who have also found themselves "journeying" along a path toward a faith different from that discovered in childhood. This new edition will retain all that drew readers to its pages alongside the voice of those next generation Christians now walking that path for themselves. In *Strength for the Journey*, Diana Butler Bass illustrates the dynamic strength and persistence of mainline Protestantism. While many baby boomers left the church, only to come back later in life, Bass was a "stayer" who witnessed the struggles and changes and found much there that was meaningful. Offering thought-provoking portraits of eight parishes she attended over two decades, she explores the major issues that have confronted mainline denominations, congregations, and parishioners during those years—from debates over women clergy to conflicts about diversity and community to scrimmages between tradition and innovation.

The Guided Journey Dec 07 2020 For those who feel frustrated, bored, or unfulfilled, *The Guided Journey* reveals how to let go of engineering this life to discover the true, individual purpose they were created for. The majority of people today admit hating their job. Even as the United States experiences the lowest unemployment rate in modern history, people struggle to find a career and job satisfaction. Rather than encouraging those experiencing this frustration to continue running away from the problem, business consultant Mike Lee reveals a proven, ten-step process for people to discover their God-given purpose and set a new course for their life. With transparency about Mike's own unexpected twists and turns, *The Guided Journey* includes true stories from Mike's life at each step, explaining the struggles of trying to juggle and balance life as a husband, father of three, consultant, entrepreneur, and a person of faith. Mike walks with readers through these steps to show them how they can also refocus their vision and priorities for both career and family life while rediscovering meaning and joy along the way.

Rediscovering Love Apr 10 2021 It might sometimes seem impossible to find love after a tumultuous breakup or the death of a friend or family member. It may appear as if you will never have the chance to feel deeply for someone again or, even worse, as though you don't deserve it. It isn't impossible, however, and if you're willing to accept it, it may work out. The first step to seeing love again is to be receptive to the idea. You have to be willing to consider the possibility that there is someone else out there who can help you. This does not imply that you should overlook your prior partnership or the person you lost. In essence, it means you're willing to move on and look into the possibility of finding another relationship. Grab a copy for a friend and family member today by a click

Your WORTHY Journey May 31 2020 Your soul is worth fighting for! Tap into what your soul already knows and learn how you can move forward with confidence and love for yourself. Angela Heart guides others on their unique journey toward understanding their worth. Through stories and personal discoveries, Angela now challenges social norms, and believes self-love and celebration of your worth is life changing and transformative. Rediscover the spark of love within your soul and begin your WORTHY journey toward healing today. Learn more at AngelaHeart.com

Alta California Aug 27 2022 This national bestseller chronicles one man's 650-mile trek on foot from San Diego to San Francisco—sure to appeal to readers of naturalist works like Edward Abbey's *Desert Solitaire*, Paul Thoreau's *On the Plain of Snakes*, and Mark Kenyon's *That Wild Country*. In 1769, an expedition led by Gaspar de Portola? sketched a route that would become, in part, the famous El Camino Real. It laid the foundation for the Golden State we know today, a place that remains as mythical and captivating as any in the world. Despite having grown up in California, Nick Neely realized how little he knew about its history. So he set off to learn it bodily, with just a backpack and a tent, trekking through stretches of California both lonely and urban. For twelve weeks, following the journal of expedition missionary Father Juan Crespi?, Neely kept pace with the ghosts of the Portola? expedition—nearly 250 years later. Weaving natural and human history, *Alta California* relives Neely's adventure, while telling a story of Native cultures and the Spanish missions that soon devastated them, and exploring the evolution of California and its landscape. The result is a collage of historical and contemporary California, of lyricism and pedestrian serendipity, and of the biggest issues facing California today—water, agriculture, oil and gas, immigration, and development—all of it one step at a time. "Rich in little-known history . . . Up the Santa Barbara and San Luis Obispo county coasts, then inland into the Salinas Valley to Monterey Bay. Somewhere along here, the owl moons and woodpeckers do something you might not have thought possible in 2019: they make you fall, or refall, in love with California, ungrudgingly, wildfires and insane housing prices and all . . . What a journey, you think. What a state." —San Francisco Chronicle

Awakening to God Workbook Aug 03 2020 A study guide companion to the acclaimed book *Awakening to God*--designed for small groups or for individual use. Do you ever wonder if God has a bigger purpose for your life? Do you find it hard to believe that God wants to use you to do something extraordinary? Are you struggling to figure out what your purpose is? It's time for an awakening. In the *Awakening to God Workbook*, Gerard Long, Alpha USA executive director, takes you on a five-week adventure through the life-changing principles set forth in his book *Awakening to God*. Sharing biblical truth and practical advice gained through his own spiritual journey, Gerard compels us to go and live the abundant life given to us in Christ. To rediscover the gospel that calls us to action. To become fishers of men. To change the world.

My Journey to Rediscover Relationships Nov 05 2020 Johnie Hinson's journey to rediscover relationships took him to a new level in his understanding of relationship dynamics. The Lord opened a door of opportunity allowing Johnie to glean precious knowledge about the greatest gift He gave to humanity. The Lord's revelations provided keen insight into how He views relationships and His expectations of how Johnie should approach them. The first revelation or divine insight Johnie discusses in his book reveals the significance of our connections. "Life is all about relationships, and relationships are all about life." Johnie discovered that nothing in life promotes greater satisfaction than meaningful connections with family, friends, and the Lord who made life possible. As a result, Johnie chose to make his relationships a priority. Johnie's journey also provided him with a greater understanding of marriage and his role in the home. He learned that marriage isn't a contract between a man and a woman but a covenant designed to connect them in a lifelong union. Johnie is constantly reminded by the Lord that "Your marriage isn't about you, it's about what you promised in your vows." Although a painful reality, the author is learning that fulfilling his promise to his wife, Rene, is the only way to make their house a home. Johnie chose to become her husband,

now he chooses to fulfill his responsibilities. Johnie is convinced that life is a journey, and if he intends to enjoy the ride, vertical and horizontal connections will play a significant role. As a minister serving the Lord for 47 years and traveling around the globe, I can attest that everything rises and falls on relationships. As a minister, military officer, husband and father, Johnie Hinson's story can teach us a lifetime of lessons about relationships that we can all learn from. I highly recommend this book to you. Rev. Dr. Paul Ai President Vietnamese Outreach International Bishop Overseer Vietnamese Harvest Network

On My Way to Heaven Sep 03 2020

A Sportsman's Journey Oct 24 2019 A Sportsman's Journey lyrically and spiritually connects readers with the natural world. Donald C. Jackson explores the rhythms and ways of hunting and fishing, particularly in America's Deep South, and in so doing helps readers understand and find meaning in why hunters and anglers venture far afield. Journeying alongside the author, readers will savor the magic of sunrises and the mystery of twilight. Hearts will quicken as deer drift from shadows and ducks circle a woodland pond. The ocean will challenge them as they fight large fish from the deck of a wave-tossed boat far out at sea. Restless winds will whisper messages during a spring squirrel hunt on a Mississippi farm. Bird dogs, old guns, old friends, and times shared with loved ones will remind anglers and hunters of those special, shared memories. Ancient forests and powerful rivers remind us of our fragile, ephemeral state. Quail hunts strengthen cherished relationships with companions. Encounters with a mountain man will take us into a world thought to have vanished generations ago. A gathering of anglers on a Gulf Coast fishing pier at night reminds us of those hidden communities that exist around us, and are often unrecognized or perhaps even unknown. Jackson reveals how all of us depend on the natural world and share very personal interactions with it and with each other. This book reminds us that rediscovering, resurrecting, and celebrating these primal linkages are the real reasons we explore the world.

31 Days of Me ...a Journey to Rediscovering Self Jun 12 2021 At some point in time we all have felt like life is coming at us from every direction and we just need a break. But most of us feel we don't have the time or money to take one. 31 Days of Me is the book to help kick start the journey to finding your inner peace in the life you live. We can't all travel the world to find our happy place but we can do little things everyday to start bringing back a sense of balance and being centered we all need. We take care of everyone else, well now it's time to take care of YOU ! With daily task to put self care back in your daily routine, I also take and chronicle my journey to what was a live changing month for me. So please join me as we reteach ourselves how to take care of us.

The Journey from Fear to Freedom Nov 29 2022 The powerful secrets in this book are the very steps that Tara used to take herself through a tumultuous time, beginning with the unexpected loss of her husband. With the wave of feelings, emotions, and realizations that came as a result, she made the conscious choice to take on her life and boldly embrace the path of rediscovering the life she has always imagined. In doing so, readers can experience her book through honesty, humor, and bravery. Her story inspires readers to do the same. Following each chapter, she's included worksheets. So those who choose to can also courageously start their own voyage of creating the life they truly want. This book is your invitation to try something different to take a leap of faith that your true life is waiting just on the other side of fear.

Backroads of Paradise May 12 2021 "A handy road companion for any tourist, newcomer, or longtime Floridian who wants to get off the beaten path and travel back in time."--Bobby Braddock, Country Music Hall of Fame songwriter "In staccato bursts of frenzy and passion, Salustri has written a modern love story affirming her tangled relationship with the Sunshine State. Retracing the routes of 1930s guidebooks, she re-creates the great Florida road trip."--Gary R. Mormino, author of Land of Sunshine, State of Dreams: A Social History of Modern Florida "This delightful trip through space and time gives us glimpses back and ahead at our ever-evolving Florida. Salustri stops along the way to mourn the parts of paradise we've lost and to celebrate what's still around to enjoy."--Craig Pittman, author of Oh, Florida! How America's Weirdest State Influences the Rest of the Country "A compelling, bittersweet odyssey across seventy-five years of Florida changes, a trip filled with dreams tarnished now by overdevelopment but still harboring a few unspoiled pieces of paradise."--Brian Rucker, author of Treasures of the Panhandle: A Journey through West Florida In the 1930s, the Federal Writers' Project sent mostly anonymous writers, but also Zora Neale Hurston and Stetson Kennedy, into the depths of Florida to reveal its splendor to the world. The FWP and the State of Florida jointly published the results as Florida: A Guide to the Southernmost State, which included twenty-two driving tours of the state's main roads. Eventually, after Eisenhower built the interstates, drivers bypassed the small towns that thrived along these roads in favor of making better time. Those main roads are now the state's backroads--forgotten by all but local residents, a few commuters, and dedicated road-trippers. Retracing the original routes in the Guide, Cathy Salustri rekindles our notions of paradise by bringing a modern eye to the historic travelogues. Salustri's 5,000-mile road trip reveals a patchwork quilt of Florida cultures: startling pockets of history and environmental bliss stitched against the blight of strip malls and franchise restaurants. The journey begins on US 98, heading west toward the Florida/Alabama state line, where coastal towns dot the roadway. Here, locals depend on the tourism industry, spurred by sugar sand beaches, as well as the abundance of local seafood. On US 41, Salustri takes us past the state's only whitewater rapids, a retired carnie town, and a dazzling array of springs, swamps, and rivers interspersed with farms that produce a bounty of fruit. Along US 17, she stops for milkshakes and hamburgers at Florida's oldest diner and visits a collection of springs interconnected by underwater mazes tumbling through white spongy limestone, before stopping in Arcadia, where men still bring cattle to auction. Desperately searching for skunk apes, the Sunshine State's version of Bigfoot, she encounters more than one gator on her way through the Everglades, Ochopee, and the Skunk Ape Research Headquarters. Following the original Guide, Salustri crisscrosses the state from the panhandle to the Keys. She guides readers through forgotten and unknown corners of the state--nude beaches, a rattlesnake cannery, Devil's Millhopper in Gainesville--as well as more familiar haunts--Kennedy Space Center and The Villages, "Florida's Friendliest Retirement Hometown." Woven through these journeys are nuggets of history, environmental debates about Florida's future, and a narrative that combines humor with a strong affection for an oft-maligned state. Today, Salustri urges, tourists need a new nudge to get off the interstates or away from Disney in order to discover the real Florida. Her travel narrative, following what are now backroads and scenic routes, guides armchair travelers and road warriors alike to historic sites, natural wonders, and notable man-made attractions--comparing the past views with the present landscape and commenting on the changes, some barely noticeable, others extreme, along the way.

Still Waters for Shallow Shores: a Through the Year Journey for Rediscovering the God of the Bible Jun 24 2022 Do you ever wonder about who God really is? Or do you feel that you already have an accurate, or at least adequate, understanding of God, perhaps formed from a lifetime of experiences and personal notions about who He has been to you? In author Jabez Abraham's year-long devotional, Still Waters for Shallow Shores: A Through the Year Journey for Rediscovering the God of the Bible, readers are invited to take a daily journey to rediscover the God of the Bible, as He reveals Himself in the Scriptures, not what we have fit and molded Him to be in our imaginations. The great challenge of our times as Christians is to get back to a proper understanding of who the one, true God of the Bible is. We have come to a place where we are used to hearing about God from what we have been taught, not what God Himself has revealed to us when the Scriptures come alive in our quiet, individual Bible studies. It is time to reassess and rediscover. Filled with deep daily insights, Scripture support, resources for cultivating a more enlightened viewpoint of God, and divided into daily readings based on a variety of crucial topics, such as sin, prayer, worship, discipleship, Scripture, evangelism, and much more, this devotional is sure to engage readers and inspire them to seek to know God based on who His Word tells us He is.

The Lost Art of Running Sep 15 2021 'Heads up – here's how to run like a pro' – The Times 'A fascinating book' – Adharanand Finn, author of Running With the Kenyans The Lost Art of Running is an opportunity to join running technique analyst coach and movement guru Shane Benzie on his journey across five continents as he trains with and analyses the running style of some of the most gifted athletes on the planet. 'Excellent' Trail Running magazine 'Shane is the Indiana Jones of the running world' Damian Hall, ultra marathon runner & journalist 'Running technique has to be one of the most subjective issues out there: 10 minutes' investigation on the internet will generally confuse rather than confirm what you should or should not be doing. Mother Nature gave us some amazing gifts as runners – if we rediscover them and use them, we can transform our dynamic and everyday movement.' Shane Benzie Part narrative, part practical, this adventure takes you to the foothills of Ethiopia and the 'town of runners'; to the training grounds of world record holding marathon runners in Kenya; racing across the Arctic Circle and the mountains of Europe, through the sweltering sands of the Sahara and the hostility of a winter traverse of the Pennine Way, to witness the incredible natural movement of runners in these environments. Along the way, you will learn how to incorporate natural movement techniques into your own running and hear from some of the top athletes that Shane has coached over the years. Whether experienced or just tackling your first few miles, this ground-breaking book will help you discover the lost art of running.

Rediscovering the Spiritual Disciplines for Today's Ministry Leadership Sep 23 2019 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience. They enter the chaplaincy after a rigorous selection process and military courses, which all must verify their calling to military ministry. Throughout a chaplain's career, he or she will attend many continuing education seminars, civilian education graduate programs, and conferences, all provided by the military. However, chaplains are challenged with the rigorous multitasked environment of this ministry. Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier. This book encourages the importance of spiritual resiliency in the lives of leaders, both military and civilian. Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure, or burnout. Second, the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve. Third, practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith.

Kingdom Journeys Dec 31 2022 Do you feel like you've been missing out on the abundant life? Most people do. If you take a look at the life of Jesus, you see that he called his disciples to follow him - on a physical journey, not just a spiritual one. Hundreds of books talk about our faith walk as a journey. But few delve into the subject of how a physical journey can reinvent and revitalize our spiritual journey with God. *Kingdom Journeys* is about the journeys we all take, presented in a series of "initiation steps" by disciples who are taking serious the call to leave everything and simply "go." This book is an exploration of an ancient spiritual discipline we must recover - if we're going to truly follow Jesus.

Journeys Jan 20 2022 This book illustrates the Malay cultural heritage and social issues faced by the community through fictional stories in the lives of Malay students at the Singapore Management University. Discussion topics, puzzles and quizzes after each chapter allows the reader to reflect on what they have learned about the Bugis, Bawean, Riau, Javanese and Minang peoples. The book closes with a chapter on the Malay Heritage Centre at Kampong Glam, Singapore.

Climbing Jacob's Ladder May 24 2022 Jewish by birth, though from a secular family, Alan Morinis explored Hinduism and Buddhism as a young man. But in 1997, in the face of personal crisis, he turned to his Jewish heritage for guidance. In his reading he happened upon a Jewish spiritual tradition called Mussar. Gradually he realized that he had stumbled upon an insightful discipline for self-development, complete with meditative, contemplative, and other well-developed transformative practices designed to penetrate the deepest roots of the inner life. Eventually reaching the limits of what he could learn on his own, he decided to seek out a Mussar teacher. This was not an easy task, since almost the entire world of the Mussar tradition had been wiped out in the Holocaust. In time, he found an accomplished master who stood in an unbroken line of transmission of the Mussar tradition, and who lived in the center of a community of Orthodox Jews on Long Island. This book tells the story of Morinis's journey to meet his teacher and what he learned from him, revealing the central teachings and practices that are the spiritual treasury and legacy of Mussar. To learn more about the author, Alan Morinis, go to www.mussarinstitute.org.
