You have questions? Let's cut right to the chase! This book, **How to Be a Lyft and Uber Driver - The Unofficial Driver's Manual** doesn't waste any time repeating content found on the Uber and Lyft websites. This first-of-a-kind book documents everything the author wished he knew before his first trip as a Lyft and Uber driver. All of **How to Be a Lyft and Uber Driver - The Unofficial Driver's Manual** content is dedicated to helping you have a successful rideshare driving business; earning maximum income; with no stress. ===== There are other rideshare driving books on Amazon. Why buy this book? For that matter why buy a book at all? Why not just go to the Uber/Lyft website, sign up, qualify, then go out and drive? From the author: "If rideshare driving is such a great 'gig' then why do 50% of new drivers quit less than 30 days after their first trip as a driver? At the end of a year over 90% have stopped being a rideshare driver!" ===== An even better reason to buy this book comes from a 2018 research report from Stanford University Graduate School of Business showing that rideshare drivers with over 2,500 lifetime trips earn on average 14% more compared to new drivers. After reading this book you'll know at least as much as a driver with 2,500 trips meaning you'll earn more than enough to pay for the small cost of this book soon after you get out on the road and start completing your own trips. ===== **How to Be a Lyft and Uber Driver - The Unofficial Driver's Manual** is well-researched and professionally-written thanks in part to the author's 15+ years' experience in corporate America as a data analyst; technical writer; training content developer; as well as a technical training presenter and training coach. Wylee Post's professional profile on LinkedIn: www.linkedin.com/in/wyleepost ===== The content of **How to Be a Lyft and Uber Driver - The Unofficial Driver's Manual** is drawn from the author's real-world experiences driving for Uber and Lyft in Denver, Colorado since April of 2016 and completing over 13,000 trips as a driver. This book: **How to Be a Lyft and Uber Driver - The Unofficial Driver's Manual** And the companion book: **Driving for Uber and Lyft - How Much Can Drivers Earn?** Provide the previously missing rideshare driver "Employee Success Manuals" and they are laser-focused on helping new and existing drivers realize the claim of rideshare driving being "The Ultimate Side Gig." **SIMPLY THE BEST AVAILABLE**

Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of vision around the vehicle via a camera are becoming standard, even on moderately priced vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you have the

responsibility to continually demonstrate the skill and knowledge to drive safely. Whether you have been behind the wheel for decades or are just starting to venture out, driving is a discipline that requires judgment, knowledge, physical and mental self-awareness, and practice. BESTSELLER • The classic work that predicted the anxieties of a world upended by rapidly emerging technologies—and now provides a road map to solving many of our most pressing crises. "Explosive . . . brilliantly formulated." —The Wall Street Journal Future Shock is the classic that changed our view of tomorrow. Its startling insights into accelerating change led a president to ask his advisers for a special report, inspired composers to write symphonies and rock music, gave a powerful new concept to social science, and added a phrase to our language. Published in over fifty countries, Future Shock is the most important study of change and adaptation in our time. In many ways, Future Shock is about the present. It is about what is happening today to people and groups who are overwhelmed by change. Change affects our products, communities, organizations—even our patterns of friendship and love. But Future Shock also illuminates the world of tomorrow by exploding countless clichés about today. It vividly describes the emerging global civilization: the rise of new businesses, subcultures, lifestyles, and human relationships—all of them temporary. Future Shock will intrigue, provoke, frighten, encourage, and, above all, change everyone who reads it. "This booklet is a general guide about what is in the test, not a book of road rules. For more detailed information on road rules refer to the Road Users' Handbook or the Australian Road Rules."--P. 1.
