**Grandad Mandela** Nov 09 2020 "...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their

grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

**Blossom in Winter** Dec 11 2020 Immerse yourself in this utterly addictive forbidden love story that has captivated thousands of readers around the world. "We are not meant to be together. I should've known better. And yet..." Petra, a seventeen-year-old Dutch-American and the only heir of finance tycoon Roy Van Gatt, has always had her life rigorously planned and supervised by her strict father. From her internship at his hedge fund firm on Wall Street to her degree in Economics at Columbia University, Petra is all set for a bright future in finance. But everything falls apart when she develops a dangerous relationship with her father's business partner and utmost confidant, Alexander Van Dieren. A Dutch nobleman, known as an unrepentant heartbreaker, twenty-three years her senior, and who is, above all else, her beloved godfather. A twisted obsession for some, unconditional love for others, but one thing is sure: it's a relationship that might cost them everything... This book is for mature audiences. ★★★★★ "A Must Read for Romantic Thriller Enthusiasts. Blossom in Winter is a beautifully wrought and expertly woven story of forbidden love, desire, dark pasts, and the lengths one will go to protect everything that matters most to them." -- Payton H, Amazon ★★★★★ "This dark romance is just what you need to keep you warm on the cold winter nights that are coming our way, it even has a simmering slow burn going on." -- Cassandra W., Amazon UK ★★★★★ "This book has been an absolute pleasure to read. **Cliff Richard** Apr 14 2021 Cliff Richard has been Britain's longest surviving and most consistent hit music maker. Starting his career as a rock 'n' roll threat to decent, upstanding citizens, he is now a

friend to Royalty and prime ministers, a Knight, and a holder of the OBE. This book tells his story chronologically, through the voices of his friends, family, and colleagues including songwriters, film directors, managers, and agents—like listening in on a dinner party attended by most of the key people in his career. The stories reveal Cliff as seen by those closest to him and, in contrast to the many official publications, this book does not just include the flattering stories. The author's probing questions have elicited extraordinary memories and observations, previously unheard by the public. Heavily illustrated with rare and interesting photographs of Cliff at work and play, this unique oral history will stand as a lasting testament to one of the most glorious careers in British show business.

Grandma's Dead Mar 14 2021 Avoid the messy confrontations that accompany delivering bad news personally and let one of these cute baby animal postcards deliver the devastating message for you. Are you afraid to tell your girlfriend that her ass looks fat? Do you need to explain to your nephew that dreams don't come true? Why not let a cute, fuzzy bunny do it for you! We understand how hard it is to tell someone that you're sleeping with his wife, so let a photograph of a duckling sleeping on a teddy bear soften the blow. These perforated postcards answer all of your cowardly prayers—you'll finally be able to tell the truth without ever conquering your fear of confrontation. Let these adorable baby animals supply a silver lining to any bad situation and avoid, a long, tearful afternoon explaining why daddy's never coming home.

**Headaches in Women** Aug 07 2020 Women suffer from headaches far more than men. According to the World Health Organization, migraine is one of the most disabling medical conditions. The understanding of the pathophysiology of migraine has changed dramatically over the past decade, leading to more rational and targeted treatments. Since most migraineurs are young women, use of contraception, management of headaches with menstruation, pregnancy, lactation, and menopause are important issues addressed in this text. Headaches are often inherited, and, as such, the book also discusses genetic issues, particularly relevant in this era of customized medicine. The hormonal management of transgenders is important as many will experience severe headaches during their transitions. Comorbidities, including psychiatric syndromes and strokes, are also presented in detail. This text will be of interest to all practitioners who manage women with headaches.

*Naughty* Apr 02 2020 In 1985, forty hooligan followers of Stoke City FC experienced a riotous trip to Portsmouth - and the Naughty Forty was born. It became one of the most notorious soccer gangs in Britain. Mark Chester was a founder member of the N40. Already a hardened fighter, he had been expelled from school after an unsettled childhood and joined the Staffordshire Regiment, only to be discharged for misconduct. Stoke City's emerging 'casual' mob became his family. 'Right or wrong, I was ready to be a committed football hooligan,' he says. He recounts tales of raucous coach trips from the Glebe pub and the pivotal clashes with the likes of Everton, Manchester United and West Ham that defined the new firm. Formidable characters came to the forefront, men like the giant Mark Bentley, Philler the Beast and the legendary Miffer, while hair-raising clashes with the likes of Millwall, Spurs, Aston Villa and Manchester City saw the gang's reputation spread. The N40 code was simple: whatever the odds, they would always make a stand. Many times they fought when heavily outnumbered yet often came out on top. They developed a closeness and cohesion rare among the football gangs. Loyalty was their watchword. Soon they were joined by the Under-Fives, a younger element determined to win acceptance from the terrace legends they admired and who carved out their own niche as well as fighting side by side with the old-school heads. Police operations, bans from the ground and the introduction of ID schemes have prevented many from attending games, but the author, long 'retired' from the scene, argues that in the new millennium the gangs are back - and as ferocious as ever. NAUGHTY is essential reading for anyone wishing to

understand the illicit but seductive lure of terrace combat, the emotional ties of a gang and the addictive buzz of Saturday afternoons.

The Book of L Sep 19 2021 This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems.

Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and 0 (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of

them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

**Familiar Messes** Feb 22 2022 "I found solace in nothing. Because everything was temporary. And days flew by like heavy cigarette smoke floating above the dancing heads in the city's most notorious club, like speech bubbles written in a language you cannot understand, like a dragon's breath you keep chasing, like pills that move from your hand to your red lips." Gratiagusti Chananya Rompas' personal essays are troves of memories she can always turn back to. They started off as day-to-day accounts of events from her younger years and the now. But Anya, as she is often called, is obsessed with how things people do — often in haste — quickly fossilize into memories, and how these memories, in turn, shape their lives.
